Match Information

Referee

£35

Please ensure you send your match arrangements to your opponents, the League Administrator and your appointed match official before each fixture. It's worth noting that your match official may change from the first email you receive. If a referee is not available for their appointment, a new match official is appointed and the system is updated accordingly. Under 19 teams should note that Referee Appointments emails are automated and sent to the email address listed as 'Club Secretary' on the Football Admin System ONLY. Please ensure your clubs details are correct and kept up-to-date, otherwise, you will not receive notification of your appointed official.

Postponements

I am still awaiting rescheduled dates from the following postponed matches: -

Under 15

Celtic V Glasgow City
Hibernian V Kilmarnock
Celtic V Central
Central V Hearts

Team Lines

Please ensure team lines are generated via the football admin system. I received a few team lines on the regional template – this is not acceptable and leads to referees submitting them to the incorrect office.

Play It Pink Week

SWF to support Cancer Research UK's 'Play it Pink' week

We're delighted to advise you all that we're working with Cancer Research UK & Race for Life to support their 'Play it Pink' week, starting Monday and we're looking for your teams support.

From Monday (16th of April) we're looking for teams to wear pink items of clothing during training and matches (where appropriate) and then shout about your support on social media. We want to really make some noise about Race for Life, so the more creative the better.

Race for Life and SWF will be promoting photos, videos, etc. so please be sure to tag us both in (@raceforlife on Twitter and Cancer Research UK Race for Life on Facebook) and use the hashtag > #SWFPinkWeek.

The team at Cancer Research UK have asked if there was anyone within the clubs who have a particularly strong connection to their work and would like to share their story. If any clubs think this would apply to them, please email rob@scotwomensfootball.com and he will be able to put them in touch with CRUK.

If there are any questions about the week, please don't hesitate to email Rob or call him on 07985 173048.
